3-in-1 wireless charging foldable stand

## Stay powered

Introducing the Klip Xtreme 3-in-1 Wireless Charging Foldable Stand—a game-changer for your tech needs! Effortlessly charge your smartphone, smartwatch, and earbuds simultaneously, keeping your devices organized and powered. Its sleek, foldable design ensures portability, making it perfect for home or travel. With fast charging capabilities and compatibility with various devices, staying connected has never been easier. Upgrade your charging experience with Klip Xtreme's innovative solution, blending functionality and style seamlessly. Power up your life today!

## Highlights

- 3-in-1 wireless charging stand with triple coil Qi® inductive charging technology to power your iPhone 1, Apple Watch, AirPods and a wide range of other compatible smartphones and TWS earbuds with case enabled for wireless charging.
- Ultracompact and ultralightweight foldable design ideal for travel. When not in use, fold down the stand to an inch thick and around half the size of a smartphone to carry it around in your pocket or backpack wherever you go.
- Tilttable arm with a sliding magnetic charging pad for smartphones<sup>2</sup> and a retractable smartwatch charging dock for your Apple Watch<sup>3</sup>. Adjust the height and tilt of your smartphone and choose between portrait or landscape display to comfortably view the screen whilst charging.
- A wide triple coil charging area for precise alignment and a strong magnetic grip that securely locks your smartphone into place for fast, stable and effortless snap on and off vertical charging.
- 3W flat wireless charging pad for earbuds inside a compatible charging case.
- Integrated dimmable LED night lamp.
- LED charging status indicator
- Heat dissipation grille for optimal temperature control
- 3 ft long USB-C® fast charging cable<sup>4</sup>

## Technical specifications

General information	
MPN	KDC-150
Product type	3-in-1 charger
Input	
DC voltage	9V/3A, 5V/3A
Charging connector type	USB-C
Output	
Number of charging ports	3 (smartphone, Apple Watch, TWS earbuds)
Smartphone charger specs	15W (max.) / 10W / 7.5W / 5W / iPhone: 7.5W (max.)
Earbuds charger specs	3W
Apple Watch charger specs	2W
Physical appearance	
Housing material	ABS
Color	Black or white
USB-C to USB-C cable	3A fast charging
USB-C to USB-C cable length	3.28 ft
LED indicators	Standby mode: static green LED Charging mode: static blue LED Foreign object detection (FOD): flashing green/blue.
Product dimensions	3.58 x 2.6 x 1.2 in
Additional information	
Package content	3-in-1 charger, USB-C fast charging cable, QIG
Operating temperature	-10 °C – +35 °C
Storage temperature	-30 °C – +70 °C
Relative humidity	0-95% RH
Warranty	1 year
Package dimensions	4 x 3 x 2.1 in
Package weight	8.4 oz
Quantity per carton	40 pcs
Carton size	20.4 x 8.2 x 6.3 in

1. The maximum wireless charge for an iPhone is 7.5W. The battery level must be at least 50% for the iPhone to support fast charging.
2. This feature only works with smartphones supporting magnetic wireless charging. Non-magnetic smartphones will not stick to the pad in the tilted position. In this case, fold down the stand for flat-lay charging mode instead.
3. Only Apple Watch supported.
4. Adapter not included. For optimal results, it is recommended to use an adapter of at least 20W.
